Message from the President

Dear Members,

Thank you for allowing me to serve as your president for the coming year. I have had the pleasure of working with a great board and dedicated committee members for the past years and feel assured of their continued support during my tenure as president. With Marianne Sacarison we welcome our new Membership Chair to the Board of the Arizona Swiss Society.

Our next event will be the Spring Picnic held together with the Tucson Swiss Club at Boyce Thompson Arboretum, 37615 U.S. Highway 60, Superior, AZ. While the annual August 1 celebration will again take us to Payson, the Fall Picnic will be held again in the Phoenix area.

I hope you will enjoy this edition of the Valley Echo, the Newsletter of the Arizona Swiss Society and I would like to thank the editor, Ruth Brandy, for again talking on the work and responsibility for the newsletter. Please let Ruth or me know if you have any suggestion or an interesting story you would like to see published in the newsletter.

My thanks also go out to the supporters of the Arizona Swiss Foundation. The Foundation offers scholarships to qualified individuals and they are welcome to apply for this award. Please find the information inside this Newsletter.

I also would like to enlist your help in making sure the Arizona Swiss Society develops in ways meaningful to you and your family. As I have stressed in my previous letters, my door is always open and I continue to invite your comments and suggestions by email or telephone.

I wish you a great spring and hope to see you at the wonderful Boyce Thompson Arboretum on April 15 and any other future events of the Arizona Swiss Society.

Sincerely,

Christmas 2006
